Looking Ahead

This newsletter is brief because our editor, Ajay, is busy making images in India. The Committee is also busy working on the 2007 Programme which will be set out for you in next month's newsletter. Meanwhile, the spring countryside is rich with colour. People, birds and animals are out and enjoying more daylight. So - it's a good time to be using your camera. Come on our field trip to Songbird Garden, Pohangina East. Enjoy a Devonshire Tea and make images in the afternoon light. Friends and family are welcome. Do join us!

Learn from each other - learn from making different images!

Good News!

Congratulations to Ajay for his win in the Massey News/National Geographic Photo Competition.

Sponsorship

Our Club will be organising the not-to-be-missed PSNZ Regional Convention in September 2007. Obtaining maximum sponsorship from Manawatu businesses is the key to providing the best possible event we can offer. The MCC Convention Committee needs your help!

Please talk to Sonia if you are able to help with ideas and contacts for sponsorship. We hope to attract 100+ attendees to the Convention which will be an ideal opportunity to promote the Manawatu area.
